LBSRA PRESIDENTS NOTES

We still have concerns at the start of a tournament each morning and when a new referee is coming in to start their games in the afternoon? We have told all referees at numerous meeting to check in with the coordinators. Is it because we are running late and don't want to be penalized for being late? You also have phone numbers that Larry puts on every sheet and tells you to call the coordinators or call him but most of the time this does not happen either. When a coordinator has 7 fields it is impossible to cover all 7 because referees don't get to the fields on time. Some Referees get to the fields any where from 30 to 60 minuets before game time which makes everyone to have a very positive attitude. When you are late, you are in a hurry and you make mistakes. You have no time for pregame, you make the tournament coordinators unhappy because the games don't start on time so it is an all around problem because you as a referee don't feel it is important to get to the fields in a timely manner and it has to change?

On Page 3 I have posted the clinics for 2015 that you can attend for recertification. There is only a couple in the Los Angles and Orange county areas. You need to sign up and get registered for 2015 start early so you are not late. There will be no in house testing that I know of as of now. It may change and we will let you know if it does.

On pages 4 & 5 I have inserted a link to the Cal South requirements for the upcoming year 2015. You will need to put a picture of your self on the cal south web page so now they can tell who you are. you Must register, for 2015 in order to officiate? Requirements for your grade has also changed which Toros will cover in his presentation for our monthly meeting.

Still a lot of referees have not gone online with cal south and inserted there pictures. This is a requirement by cal south.

Cal South Referee Profile Update

Dear Butch Renken

This email is being sent out to all referee associations, instructors, assessors & assignors.

2015 will have its share of changes. Cal South will also be implementing a new procedure.

Cal South needs everyone to enter their referee profile and upload a recent picture. Please inform all your members to do so as soon as possible.

Please note:

Pictures should be of the official only. Nobody else should be included in the picture.

Pictures should not have any props in the background

Individuals should not wear sunglasses or hats.

Pictures do not have to be a full body picture. From the waist and above will be fine.

This needs to be done by July 1st, 2014

Every referee has a username and password within the Cal South system. If they do not know it, they can call Cal South to obtain it.

They must mention they are seeking their **referee profile login information**.

They can then log on to calsouth.com, select "Referee Account Login" from the referee drop down to enter the system.

Directions on how to upload the image is posted on the referee page of the website. However, here is the link for your convenience.

Pre- evaluation and Assessment program

This is the time of the year to start thinking about Up –grade, the following is a remainder for all of the Officials thinking about it.

This Sunday 7/13/2014 I will be evaluate/assess three officials of this Association doing adults games; You should be proud to do these games; because your assigner has confidence in your ability to handle these types of games.

As you know this year the USSF made quite a few changes in the Referees Grading system therefore the up-grade became more challenging and the criteria's for an up- grade are more strict than before.

If you think about up-grading, let your Assigner know and he will schedule a game to Evaluate/assess in order to establish if you are ready for it.

In our Association we are blessed that we have a good number of experience Assessors and mentors ready to help you in order to pass you assessment.

In this pre test we will give you a fair and valuable feedback that will help you to pass the real Assessment.

Therefore My Recommendation, to all of you, is to take advantage of this program.

We are here to help you achieve your dreams.

Good luck.

Your humble mentor leader

John Bonifacio
