LBSRA PRESIDENTS NOTES

Please make sure you check in with the coordinator at your fields. He or She can not run to each field to find out if the game is covered or not. Most of the coordinators will be wearing colored polo or Referee Uniform so they will be easy to spot. Make sure you carry there phone number in case you need to call. It's listed at the top of your field sheet that you were sent.

Be on time make sure you are at the fields 30 min. before kick off not out in your car and come walking up 10 min before game time. Keep the games on time or as close to as possible. You have 5 min for half time and it goes fast. If you don't get the teams out on the field after 3 minuets you are going to be behind. Time does not stop unless the field marshal tells you so. If it's time to start the game and the team is not ready make sure you let the coach know that time has started loud enough so all can hear.

Personal information to our secretary is very important to keep his records up to date. Every year we go thru this period of time to make sure we have the correct information and it is a challenge. If your information has changed from last year please send an email to Lee Harmon.

We have a lot of tournaments coming up so make sure you let Larry, Lee or Ardy know ASAP if you can not do an assignment. Don't wait because now he has to fill your spot with some one else. It makes it more difficult the longer you wait. Make sure you confirm your assignment with both Larry and Lee.

Note on checks they are given out at our monthly meetings and I understand that sometimes you can not make it. Make arrangements with Lee Harmon. Also when you get your checks down on the left in the memo line he will put how many Centers and ar's you do. Make sure you keep track of them so when you get your check if it is not right you can let him know what is missing. There is a lot of work behind the tournaments and a lot of information goes into it. Keeping track of all the referees and what they make is not an easy task but we do try to make sure that every one gets paid what they earn. Any questions or concerns contact the LBSRA Lee Harmon and he will look into the information.

SSBRA sponsored the launch of a Torrance site for Cal South's Referee Professional Development last fall.

Our RPD sessions are typically held on the third Tuesday of the month at North High School, just off the 405 Crenshaw or Artesia exits. Specific day and date information is available on the online registration page, [here](#).

We began the Torrance RPD as a resource for all referees in the Westside / South Bay / Long Beach areas, for whom the North High location would be far more accessible and convenient than a monthly trek to Citrus College in Glendora. We haven't seen a lot of LBSRA folks attending, and worry that perhaps we didn't spread the word as effectively as we might have.

As you know, all refs maintaining or upgrading to Grades 7, 6, or above must attend a minimum number of RPD's each year, per Cal South requirements.

Please encourage your members to join us at Torrance RPD! While SSBRA is proud to have worked with Cal South to initiate this RPD venue, it is open and available to all Cal South-registered officials committed to improving their conditioning, skills, and knowledge. And there is no charge to attend. Members should, however, register online in advance, at the link above.
