LBSRA PRESIDENTS NOTES

Please make sure you check in with the coordinator at your fields. He or She can not run to each field to find out if the game is covered or not. Most of the coordinators will be wearing colored polo or Referee Uniform so they will be easy to spot. Make sure you carry there phone number in case you need to call. It's listed at the top of your field sheet that you were sent.

Be on time make sure you are at the fields 30 min. before kick off not out in your car and come walking up 10 min before game time. Keep the games on time or as close to as possible. You have 5 min for half time and it goes fast. If you don't get the teams out on the field after 3 minuets you are going to be behind. Time does not stop unless the field marshal tells you so. If it's time to start the game and the team is not ready make sure you let the coach know that time has started loud enough so all can hear.

Personal information to our secretary is very important to keep his records up to date. Every year we go thru this period of time to make sure we have the correct information and it is a challenge. If your information has changed from last year please send an email to Lee Harmon.

We have a lot of tournaments coming up so make sure you let Larry, Lee or Ardy know ASAP if you can not do an assignment. Don't wait because now he has to fill your spot with some one else. It makes it more difficult the longer you wait. Make sure you confirm your assignment with both Larry and Lee.

Note on checks they are given out at our monthly meetings and I understand that sometimes you can not make it. Make arrangements with Lee Harmon. Also when you get your checks down on the left in the memo line he will put how many Centers and ar's you do. Make sure you keep track of them so when you get your check if it is not right you can let him know what is missing. There is a lot of work behind the tournaments and a lot of information goes into it. Keeping track of all the referees and what they make is not an easy task but we do try to make sure that every one gets paid what they earn. Any questions or concerns contact the LBSRA Lee Harmon and he will look into the information.

WE REMEMBER OUR FRIEND, COLLEAGUE AND HALL OF FAMER BELA BIRCSAK

March 22, 1936 – July 14, 2015

Bela was born in Budapest, Hungary on March 22, 1936, the first day of spring, to Bela Sr. and Erzsébet Bircsak. He had one brother Steve, who unfortunately lost his battle to cancer four years ago.

Bela was an outstanding athlete early on and he had many talents. He loved the outdoors, acting, singing and playing the bass guitar, although his two favorite pastimes were sailboat racing and soccer. By the time the 1956 Hungarian Revolution broke out he was a full-fledged tool and die maker and designer.

He came to America as a refugee freedom fighter on January 1, 1957 as a result of the uprising in October of 1956 against Communist rule in Hungary. He first settled in Detroit, Michigan and after a short time living in Miami, Florida he made his permanent home in California.

When he wasn't working, Bela made time to be on a soccer team, did some part-time acting on the Doby Gillis, Run For Your Life TV series along with a few other shows and he was even a proud member of the Screen Actors Guild. But he preferred the stage and performed in English and Hungarian plays. At one of these plays he met Erika, who was an extra, after being persuaded by her sister Gyongyi to take part in a Hungarian play called The Gypsy Princess Musical. It didn't take long for Bela and Erika to fall in love and by July 27, 1963 they were married. That made this year their 52nd anniversary, which is quite an accomplishment. Bela loved his wife Erika dearly and took his vows seriously. She was everything to him.

On April 11, 1966 they became the proud parents of a baby boy, Thomas, and just a year and a half later on November 1, 1967, they had a beautiful baby girl, Christine. Bela even took to affectionately calling Erika, mom, as the kids did. When Tom was 8, soccer became popular and from then on Bela played and coached many different teams from recreational boys, girls and adults, to high school and all the way to Olympic level players. He was a great hands-on dad and a big kid himself. He would do anything for his kids and family. There were wonderful family trips and outings, boating, fishing, swimming and skiing. He even joined the Indian Guides with Tom. Bela loved science experiments and magic so of course he was the Medicine Man and intrigued everyone. Unfortunately Tom passed away three months ago due to complications with congestive heart failure.

One of Bela's proudest moments was when Chrissy got married to her husband Dean. He was beaming from ear to ear. A few years later he was blessed with two grandchildren, Alexis and Aaron. He would show pictures and talk about his talented, beautiful granddaughter and dare-devil, busy-body grandson to everyone.

Bela was also known for his sense of humor. He was a great story and joke teller. He was the life of the party, loved to dance and make people laugh. He was a hard worker and owned his own business until retiring in 2012. Bela was old-school, trusted and helped everyone he could and was a loyal friend. This past 4th of July he smiled and enjoyed the day with his family. Though a bit tired, he was amazed at how lucky his life was.

We were lucky to have had Bela as part of the Cal South family and we will always remember this great man and hold him in
